

Leadership Training Workshop

Two Leadership Training workshops are being offered for next year's High School Junior & Senior class members! If you are interested in becoming a **TEAM LEADER** for any retreat offered by St. Anthony's Youth Ministry you **must** attend a workshop in its entirety!

I know it seems like ages since you were away at the spectacular retreat center in Ringwood, NJ but actually if you sit down and think about it I'm sure you still have some "WONDERFUL" memories of this experience during your Confirmation Preparation. Since we start planning our weekends two months in advance, there just isn't enough time to work with everyone in talk writing, peer ministry, how to run a small group, and leadership skills (to name a few things) SO, with this in mind, it is a great opportunity for you to kick back and participate in a Workshop Day of Reflection & Leadership training!!
